RE: W. COLEMAN V. METRO-NORTH  
22 Civ. 8773 (MKV)

Dear Judge Vyskocil:

We are plaintiff's counsel in the above-entitled case and are writing on behalf of both parties to provide the Court with a status report.

The parties have exchanged discovery and are scheduling depositions. We anticipate being able to complete fact discovery by the current May 25, 2023 deadline. We do not anticipate any dispositive motions.

We do not anticipate any problems with completing expert discovery by the July 25, 2023 deadline. If the parties are not able to resolve this matter on their own, we may request a settlement conference with the assigned magistrate judge.

In light of the foregoing, the parties jointly request that the up coming April 12, 2023 status conference be cancelled and reschedule for a date closer to completion of fact discovery. In the alternative, if the Court still wishes to have the status conference as scheduled, we ask that it be converted to a telephone conference.

GRANTED. The Status Conference scheduled for April 12, 2023 is hereby rescheduled to May 24, 2023 at 3:00 PM. SO ORDERED.

Date: 4/5/2023  
New York, New York

  
Mary Kay Vyskocil  
United States District Judge

Respectfully submitted,

Sean Constable
